Something to share?

Do you have something to share with the rest of us? An announcement, an invitation, a story. Etc? Or maybe an event you want to make happen? Let me share with you on how to best make it happen!

The Connection Point - This is PCF's monthly newsletter. If you have a story to share, an event to invite people to or a group to invite others into; this is your method! Items for the Connection Point should be submitted for review a week before the end of a month for the next months newsletter via email to the church office.

Email Chain - Do you need a reminder sent out about something coming up? This is a great method. Email chain reminders need to be submitted for review to the office and will only be sent out on days the office is open. See hours below.

Prayer Email Chain - Do you have a prayer request? Email your request to the office, contact the office during office hours or contact one of the Pastors and your request will be sent out as soon as possible.

Announcements - If you have something you would like announced during church service please contact the office with the details via phone or email by the Thursday of that week.

Bulletin - If you would like something placed in the weekly bulletin, items need to be submitted by 10am Wednesday morning to the church office via phone or email for review.

Events and Building Use- Do you want to use PCF to have an event? Or do you want to organize an event for others to attend? For PCF use you must complete an Internal Room Use Form Request and submit it to the office. The office will verify there aren't any conflicts and assist you in making your event happen (Connection Point, Email Chain, advertising if needed, etc.). For outside events submit a Room Use Form Request for review and the office can assist you in communication through the above appropriate methods!

Keep your communication clear and concise! Questions? Contact the office.
