Donations

There are many needs in a building like ours; flooring, paint, lighting, gravel, rock walls, asphalt, technology updates, sound updates and things as simple as new urinals. PCF is looking towards a few upgrades this summer. We hope to update the sanctuary lights, hang the speakers and update a few failing stage lights. These updates alone will be about 20 thousand. If you would like to give specifically to building updates this summer or for future building projects you can now donate specifically on the website or Tithe.ly by selecting "Building Improvements" or by writing such on the memo line of cash envelopes or checks. Money given with this designation will go only towards building improvements.

PCF is looking to acquire a few used tablets. They can be Apple 11.4 or later or Android 12.0 or later and must be able to access the App Store or Google Play. If you have one lying around and it is not getting used, but is in decent working order and able to hold a charge for a few hours, please consider donating it to church! If you have any questions or you have one to donate talk to April Wilder.

Our Connection Point is now also in audio visual form! Starting in March on the first Sunday of the month, we have included a video based announcement segment during service, on our website, Facebook and YouTube. These announcements will be a version of the connection point in video form. Not everything from the newsletter will be in the video version. Therefore, the newsletter version is still there for your reading pleasure and reference.

Would you like to be a part of production? Reach out to Charles or April Wilder. We will be doing the recording and production the third Sunday of each month. With that in mind, if you have something you want announced during the video or for the Connection Point, be sure to let the office know by that third week of the month.
