Donations

There are many needs in a building like ours; flooring, paint, lighting, gravel, rock walls, asphalt, technology updates, sound updates and things as simple as new urinals. PCF is looking towards a few upgrades this summer. We hope to update the sanctuary lights, hang the speakers and update a few failing stage lights. These updates alone will be about 20 thousand. If you would like to give specifically to building updates this summer or for future building projects you can now donate specifically on the website or Tithe.ly by selecting "Building Improvements" or by writing such on the memo line of cash envelopes or checks. Money given with this designation will go only towards building improvements.

The PCF office will be closed Monday May 27th in honor of Memorial Day.

Saturday May 25th 10am—1pm is our next work party. If you are able to come lend a hand all help is greatly appreciated. There are many indoor and outdoor tasks. Come with some gloves and we will put you to work!

Our Connection Point is now also in audio visual form! Starting in March on the first Sunday of the month, we have included a video based announcement segment during service, on our website, Facebook and YouTube. These announcements will be a version of the connection point in video form. Not everything from the newsletter will be in the video version. Therefore, the newsletter version is still there for your reading pleasure and reference.

Would you like to be a part of production? Reach out to Charles or April Wilder. We will be doing the recording and production the third Sunday of each month. With that in mind, if you have something you want announced during the video or for the Connection Point, be sure to let the office know by that third week of the month.
