We will be hosting Calvary Fellowship for their 10am service on **June 18th**. PCF is invited to attend their service here at PCF and enjoy their fellowship and ministry.

On **June 25th** we will be having a joint service with Calvary Fellowship during our 10am service. Following service we will enjoy a BBQ together to kick off summer. Stick around and get to know some faces you may see around this summer. If you want to help with BBQ prep, be at church by about 9am and see April in the kitchen for a task.

Summer Painting Projects

This summer there are a few inside painting

projects. If you are available during the week to help, please let April know as soon as possible! Email the office and let her know your availability. We will be diving into this summer project the second week of June and would love the help!

Summer office hours will mainly follow the following schedule: Tuesday 9am-1pm and Wednesday from 1-4pm. If you have a specific need to see me in the office, please call or text me at: 360-710-9206 or email the office to schedule and appointment.

Where the strength is

I have owned six British sports cars over the years, most with wire wheels I cleaned with a tooth brush. I've given much consideration to wire wheels. The spokes start at the rim, spread out far apart from each other. They arrive very close together at the hub, and the strength of the wheel is at the hub.

Many Christians mistakenly think we travel along parallel lines toward the Lord. Parallel lines, however, never intersect. But the Bible says Jesus is the center of all things, and everything is traveling toward Him. If that's true, and we are traveling toward Him, we're traveling along convergent lines. The closer we get to Him the closer we get to each other, and that's where the strength is. The rim of the wheel is the boundaries of the community we serve in. By His design we are laced together to meet around Him for shared service in His behalf in our community. If the spokes loosen up, they lose the strength they provide for each other, and the wheel, as a whole is weakened.

*This is true in our congregation, and among the congregations of our city. **I Corinthians** is written to the whole church in a city of 700,000 people; One Church, with many congregations. Paul makes it plain in **Ch. 1:10-13 & 12:12-27**, that Christ's body is not to be divided. Chapter twelve reminds us that congregations need to need each other if the fullness of the body of Christ will be present and fully active where we live.*

This summer we are entering into an experiment with our brothers & sisters of Calvary Fellowship Gig Harbor. We are working together to serve side by side as partners operating from the PCF facilities. June 18 & 25 we will enjoy joint worship services together at 10:00 AM. We'll have a BBQ out back after the June 25th service. For July & August we will conduct two Sunday morning services led by Calvary at 9:00 AM and PCF at 11:00 AM. Worship teams from each congregation will alternate every other week, ministering in both services.

We have gradually grown into sharing in other ministries together over the last two years: Men's, Women's, Wednesday night Youth & Adult gatherings. We've also enjoyed joint services for Christmas Eve, Good Friday and other special occasions.

*We do not intend to merge into one congregation. We will remain two distinct congregations, but serving side by side like next-door neighbors in a cul-de-sac, partnering to make their neighborhood the best it can be together. Our hope is that we become such good friends that we can entrust ourselves to each other in confidence, just as we're called to in **Philippians 2:1-5**.*

So, join in this grand Biblical experiment, trusting God to lead us into more together than we would become without each other.
