## *Husbands*

*I was in a men's small group meeting once where each of us was authorized to ask the group one significant question about our lives. The guy starting off that day said, "How's your marriage"? Some guys gave various answers, until one man said, "I can give you half of the answer."*

*That was a very insightful reply that prompted some genuine reflection by all of us. And while that question cannot be fully answered without the input only our wives can provide, we should have a good answer for ourselves; an answer we are confident of because we have arrived at it on purpose, being mindful of the enormous importance of it.*

*Being a husband is our second highest calling as men. God designed this role for us, and offers His full support & encouragement so we can enjoy being husbands to the best of our ability.*

*Just as all men are not the same, all marriages are not the same, and The Lord has not called any of us to be our best imitation of anyone else, though we can learn from each other. So, how shall we be ourselves while embracing the fullness of our calling as husbands?*

*Let's talk about it together. We all have insight and experience to contribute as married men, as well as some questions. This is one of those delightful situations where we can rightfully expect to be built up by each other through contributions other than our own.*

***When?*** We'll get started **Saturday morning October 22, 8:30-10:00 AM.** We'll meet each fourth Saturday of the month.

***Where?*** At PCF in either the conference room or Coffee Corner. If there's enough of us, we'll use the SMB.

***How?*** This will be discussion, not instruction. We don't have a curriculum. We will discover much together from our own hopes, questions & experiences; as well as insights gained along the way and God's Word. We don't have any experts lined up.

***Who?*** Any man who is married, or has been married.

*I look forward to our time together. Yes... we seem to learn much by braille, as it were. But I suspect we're going to enjoy some unexpected benefits together.*

*I hope to see you there,*

## BIBLE RECAP

BY D-GROUP

What does the Bible, the WHOLE Bible, show us about God? How strong is your Bible reading habit? Rachel Hanenburg would like to invite you to join with other believers in a Bible reading plan starting in January that addresses both of these. This chronological reading plan and podcast is meant to bring

a depth of understanding to scripture in a very do-able way. She hopes to also include a short weekly check in with those interested in joining her in this challenge. Below is a link to the reading plan and information on the podcast. More information will be presented as we get closer to the start of the year. Feel free to check in with Rachel if you have any questions. [The Bible Recap By D-Group](#)
