

## Volunteer Agreement

PCF Kidz is a vital ministry to both the children and parents of those who attend PCF. Our goal is to provide a loving, safe, fun, engaging, Bible-based ministry where kids learn to love Christ in a way that transforms their daily lives. To us this is more than just child care, it is an opportunity to support and reinforce the parents of PCF.

PCF Kidz Ministry desires to partner with parents to build a solid spiritual foundation in the life of each child. We commit to doing this by:

Showing Christ's love to each child and his/her parents.

Teaching Biblical truths through interaction with each child and using the curriculum provided.

Encouraging the development of relationships with peers and members of the PCF family.

We believe that parents, before any other institution, are responsible for the spiritual nurturing of their children. As parents shepherd their children through scripture, we commit as PCF Kidz to reinforce their teaching.

I understand that PCF will run a background check through the Washington State Patrol WATCH program, for anyone who wishes to volunteer in PCF Kidz. We as PCF commit to follow the guidelines as described by the WSP and will notify you of the results.

I agree to be in my assigned classroom 20 minutes prior to service.

I agree to find a replacement if I know ahead of time that I cannot make assigned date(s), and will inform the Director of Children's Ministries of any changes.
