Verses 4-6

It all happens just as the Lord had said

Jesus show them and all of us that He had all the details worked out

We can Trust Him in what He says and does

All of this at the same time was fulfilling prophecy

Zechariah 9:9 - Rejoice, O people of Zion!

Shout in triumph, O people of Jerusalem!

Look, your King is coming to you.

He is righteous and victorious,
yet He is humble, riding on a donkey—
riding on a donkey's colt.

Jesus was demonstrating His plan
not their plan

They wanted an earthly King
He came to give them an eternal King

They wanted physical freedom
He came to give Spiritual freedom

Psalms 23

He WILL lead us at all times

He knew in advance where His path was leading,
but He did it because it was the way that led to
our redemption

Though it may have seemed like a bad plan, it was
and is the perfect plan

Proverbs 16:1 - We can make our own plans,
but the Lord gives the right answer.

Will you trust the Lord's plan in your own life
today?

Give with what you have received

Verses 6-8

The colt and donkey were given
Disciples gave their garments
The people gave their garments
The people gave palm branches

Things of value, necessity and of honor given to
Him

When we give we will also receive

Giving a gift you receive joy in return

Psalm 24:1 - The earth is the Lord's, and everything in it. The world and all its people belong to Him.

He gives gifts: Physical and Spiritual

When we understand that everything we have is His in the first place, we can move away from seeking to get and move towards seeking to give

In this road to the cross His plan and goal was to give:

Forgiveness
Restoration
New Life
Hope...

How will you give back to Him? Not just on a Sunday but daily?

Worship with all you have

Verse 9-10

Jesus was at the center – not to one side or the other, but right in the middle because He was the focus

People all around were singing and worshipping

Psalm 118

How can you thank Him?
How can you Worship Him?

By keeping Him in the center of your focus!

Today again we remember and celebrate Jesus Christ entering Jerusalem, not by chance or by accident. But because He had a ***PLAN*** to ***GIVE ALL*** that ***HE HAD***.
