

PENINSULA CHRISTIAN F E L L O W S H I P

Honoring Each Other

I Timothy 5:1-16

*As Chuck said, this book is about
conduct*

*Last week Quite Hansom said
we're about loving each other*

*I agree completely – **John 13:34-35***

*So, **how** do we do that with
who?*

How about older men?

Younger men?

How about older women?

Younger women?

*What about women who are
widows?*

James 1:27

We're given more detail here...

*Even older widows and younger
widows*

*We also have instruction about
who should provide for their care*

*Those **with family** and those
without family*

*And then words about how
widows conduct themselves*

*Loving each other as Christ's
family isn't sentiment and
emotion*

*It doesn't happen by default and
doesn't run on auto-pilot*

*It is, as Chuck says – **On purpose
for a purpose.***

*Next Week: **Loving Leaders***
