## Growing Kingdom Fruit **Luke 13:6-9**

The fruit is **FOR** the owner (not primarily for consumers)

- **Mark 12:1-11**

.....  
What is kingdom fruit?

**Vs. 6** – Different plants = differing fruit

What the owner wants **as He chooses**

.....  
**Vs. 7** – The owner **Expects** fruit

He planted it for that purpose – **it's normal**

.....  
**Vs. 8** – So does His servant

The servant also expects to **cultivate** for fruit

- Last week: **Cultivation is work**
- Digging around it takes effort
- Fertilize it with valuable additives

.....  
**Vs. 9** – Fruit bearing is **not optional**

Faith is **not passive** or spectator oriented

.....  
**John 15:1-8**

**Vs. 2** – “In Me”

“Takes away” = “Lifts up”

Pruning is not punishment

.....  
**Vs. 6** – those who “do **NOT** live in Me”  
All who **DO live in Him** are tended as needed

.....  
**Vs. 7** – Ask for what?

**John 5:19 & 20:21** – What Jesus asks for

.....  
**Vs. 8** – What fruit?

**Galatians 5:22-23**

Cultivated & fertilized **IN** us and **AMONG** us:

The plants **AND** the orchard/vineyard

.....  
**Matthew 7:7-12**

Keep **asking, seeking & knocking**

Successful farmers keep **plowing, planting, fertilizing & watering**

They expect to **grow what they plant**
