Living an Attitude of Thankfulness One of Many examples

Last week I talked about building an attitude of thankfulness

We looked at building 3 different habits

- 1.) Trade worry for Prayer
- 2.) Focus on the Good
- 3.) Practice & Practice

And it included rewards like

- 1.) God's Peace & Protection
- 2.) An Attitude Change
- 3.) God of Peace IS with you

How many of you tried at least once to build these habits?

Does anyone want to share about their experience?

So today I want to look at living out this thankfulness, basically life after building the habits.

1 Thessalonians 5:18

Let me tell you there are so many stories and examples from God's word to look at.
