## Who Would Do That?

### John 1:1-14, Luke 2:1-7 & Luke 2:16-18

#### **John 1:1-14**

Who would come to their own creation knowing the rejection

I find it interesting that the one who was there...

The moment life was breathed into humanity

The moment in the garden when blame was being thrown around

The moment the floods wiped out most of His creation

The moment His people were set free from pharaoh

The moment they doubted Him

The moment entire cities turned to Him

And the moment entire cities rejected Him.

I find it interesting that the one who was there still chose love and restoration.

Who would do this?

The one who brings the Gift of **Unfailing Love, Faithfulness & Restoration**

#### **Luke 2:1-7**

Who creating all things would allow themselves to be placed in a manger

I find it interesting that the one who created

Every precious metal

Every jewel

Every beautiful place

Every fiber and molecule

I find it interesting that the one who created chose a dusty lowly place where animals feed to be born.

So who would do this?

The one who brings the gift of **humility** and **access** for all

The Shepherds

#### **Luke 2:16-18**

Who would allow themselves this type of access

From the day He was born people longed to:

See Him

Touch Him

Hear Him

Know Him

Tell others about Him

End of the Shepherds Story

Who would do this?

The one who brings the gift of **Hope & Love worth Sharing**

Who would do all these things and more?

The One Who:

**Restores**

**Loves** us unconditionally

Wants **relationship** with us

The one who **chooses** us

What will you do with this?
