Wisdom Applied

We are living in a world of foolishness vs Wisdom

- *This is no surprise*

(Romans 1:18-32, II Timothy 3:1-5 & 10-14)

- *These ARE those times*

.....
Our world is legalizing, protecting & promoting violations of God's Word

- *Becoming increasingly adversarial toward Biblical living*

Faith & God's Word are not making the world adversarial

- *The opposition to God's known ways is making it adversarial*
- *How shall God's people stand secure in an increasingly godless culture?*

We must know the difference between God's wisdom & foolishness

.....
I Corinthians 1:19 & 25-29

I Corinthians 2:6 & 3:18-20

.....
Psalms 50:16-21

Proverbs 6:12-19

John 17:20-23 – Philippians 2:5

Christlikeness only lives in how we live

.....
Matthew 5:3-7:27 *Are His living instructions*

- *How do we live them in a godless culture?*
- *How shall we eat & digest the Bread of Life?*

.....
Matthew 20:1-16 *is our life meal today*

- *What is wisdom here & why?*
- *What does today's culture say?*
- *Do you see anything from 5:3-7:27 to apply here?*

Chew on this for 15-20 minutes, then please share some thoughts
