## Reflection of Affection

Gen. 1:26-31, 2:7-25 & Eph. 5: 1-2, 5:21-33

God created marriage while sin was still absent from creation.  
-----

Marriage was not an afterthought or a response to sin.  
-----

Marriage was created by God as a priority in human existence it was and is part of His very good plan.  
-----

1. The most important relationship we can ever have is with our Creator!
  2. Marriage is the 2<sup>nd</sup> most important relationship we have!
  3. You were created to reflect Him in your own life!
  4. You were created to reflect Him to your spouse!
  5. You were created to reflect Him to the world!
